RESPONSE TO RESTRICTION AND ELECTION OF SPECIES

Commissioner of Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Office Action mailed June 15, 2004, Applicant elects Invention I. However, it is noted that claims 19-22 depend from claims to Invention I. Thus, such claims should be duly considered and entered. See e.g., the parent application, now patented, having generally parallel claims on issuance.

In addition, Applicant elects Species I. Currently, at least claims 1-12 and 15-23 read on the elected species and are generic.

Respectfully submitted,

By
